The first nine months...
Watch me grow!

This beautifully illustrated and medically accurate collection of ten 16" x 20" color posters chronicles the growth stages of a baby for nine months in the womb. Display them individually, rotating on a monthly basis, or - add one each month to display the entire set. Priced at just **\$35 for the set of 10**. Also available in a space saving 24" x 36" all-in-one poster.

Same illustrations and text printed as a **BROCHURE** - a great handout for students or adults.
